

Residential Lease Contract

Date of Lease Contract: June 10, 2009
(when this Lease Contract is filled out)

This is a binding contract. Read carefully before signing.

Moving In -- General Information

1. PARTIES. This Lease Contract is between you, the resident(s) (list all people signing the Lease Contract): _____ and us, the owner: _____

You've agreed to rent the following dwelling [check one]: house, duplex unit, or other unit, and any grounds, garage or other improvements located at _____

in _____ (street address) in _____ (city), Texas, _____ (zip code)

only. The terms "you" and "your" refer to all residents listed above, and a person authorized to act in the event of a sole resident's death. The terms "we," "us," and "our" refer to the owner listed above and not to property managers or anyone else. Written notice to or from our managers constitutes notice to or from us. If anyone else has guaranteed performance of this Lease Contract, a separate Lease Contract Guaranty for each guarantor must be executed.

2. OCCUPANTS. The dwelling will be occupied only by you and (list all other occupants not signing the Lease Contract): _____

No one else may occupy the dwelling. Persons not listed above must not stay in the dwelling for more than 3 consecutive days without our prior written consent, and no more than twice that many days in any one month. If the previous space isn't filled in, two days per month is the limit.

3. LEASE TERM. The initial term of the Lease Contract begins on the _____ day of _____ (year), and ends at midnight the _____ day of _____ (year). This Lease Contract will automatically renew month-to-month unless either party gives at least 30 days written notice of termination or intent to move out as required by paragraph 37. If the number of days isn't filled in, at least 30 days notice is required.

4. SECURITY DEPOSIT. The total security deposit for all residents is \$ _____, due on or before the date this Lease Contract is signed. This amount [check one]: does or does not include an animal deposit. Any animal deposit will be stated in an animal addendum. See paragraphs 41 and 42 for security deposit return information.

5. KEYS, FURNITURE AND AFFIDAVIT OF MOVE-OUT. You will be provided 1 dwelling key(s), 1 mailbox key(s), and _____ other access devices for _____. Any resident, occupant, or spouse who, according to a remaining resident's affidavit, has permanently moved out or is under court order to not enter the dwelling, is (at our option) no longer entitled to occupancy, keys, or other access devices. Your dwelling will be [check one]: furnished or unfurnished.

6. RENT AND CHARGES. You will pay \$ _____ per month for rent, in advance and without demand at 1621 JAMES AVE. WACO, TEXAS 76706 and payable to owner or _____. Prorated rent of \$ _____ is due for the remainder of [check one]: 1st month or 2nd month, on _____ (year). Otherwise, you must pay your rent on or before the 1st day of each month (due date) with no grace period. Cash is unacceptable without our prior written permission. You must not withhold or offset rent unless authorized by statute. We may, at our option, require at any time that you pay all rent and other sums in cash, certified or cashier's check, money order, or one monthly check rather than multiple checks. If you don't pay all rent on or before the 3rd day of the month and we haven't given notice to vacate before that date, you'll pay an initial late charge of \$ 25.00 plus a late charge of \$ 5.00 per

day after that date until paid in full. We will not impose late charges until at least the third day of the month. You'll also pay a charge of \$ 30.00 for each returned check, plus initial and daily late charges until we receive acceptable payment. Daily late charges will not exceed 15 days for any single month's rent. If you don't pay rent on time, you'll be in default and all remedies under state law and this Lease Contract will be authorized. If you violate the animal restrictions of paragraph 27 or other animal rules, you'll pay an initial charge of \$ 100.00 per animal (not to exceed \$100 per animal) and a daily charge of \$ 10.00 per animal (not to exceed \$10 per day per animal) from the date the animal was brought into your dwelling until it is finally removed. We'll also have all other remedies for such violation.

7. UTILITIES. You'll pay for all utilities including electricity, gas, water, wastewater, trash, and cable TV unless indicated in paragraph 10. You'll pay for all related deposits, charges or fees on such utilities. You must not allow any utilities (other than cable or internet) to be cut off or switched for any reason—including disconnection for not paying your bills—until the Lease Contract term or renewal period ends. You must connect utilities in your name, and you must notify the utility provider of your move-out date so the meter can be timely read. If you delay getting it turned on in your name by lease commencement or cause it to be transferred back into our name before you surrender or abandon the dwelling, you'll be liable for a \$ _____ charge (not to exceed \$50), plus the actual or estimated cost of the utilities used while the utility should have been connected in your name. If you are in an area open to competition, you may choose or change your retail electric provider at any time. If you qualify, your provider will be the same as ours, unless you choose a different provider. If you choose or change your provider, you must give us written notice. You must pay all applicable provider fees, including any fees to change service back into our name after you move out.

8. INSURANCE. Our insurance does not cover the loss of or damage to your personal property. You are [check one]: required to buy and maintain renter's or liability insurance (see attached addendum), or not required to buy renter's or liability insurance. If neither is checked, insurance is not required but is still strongly recommended. If not required, we urge you to get your own insurance for losses due to theft, fire, water damage, pipe leaks and other similar occurrences.

9. SECURITY DEVICES. What We Must Provide. Texas law requires, with some exceptions, that we must provide at no cost to you when occupancy begins: (1) a window latch on each window; (2) a doorviewer (peephole) on each exterior door; (3) a pin lock on each sliding door; (4) either a door handle latch or a security bar on each sliding door; (5) a keyless bolting device (deadbolt) on each exterior door; and (6) either a keyed doorknob lock or a keyed deadbolt lock on one entry door. Keyed lock(s) will be rekeyed after the prior resident moves out. The rekeying will be done either before you move in or within 7 days after you move in, as required by statute. If we fail to install or rekey security devices as required by the Property Code, you have the right to do so and deduct the reasonable cost from your next rent payment under Section 92.165(1) of the Code.

What You Are Now Requesting. Subject to some limitations, under Texas law you may at any time ask us to: (1) install one keyed deadbolt lock on an exterior door if it does not have one; (2) install a security bar on a sliding glass door if it does not have one; and (3) change or rekey locks or latches. We must comply with those requests, but you must pay for them. Subject to statutory restrictions on what security devices you may request, you are now requesting us to install or change at your expense: NONE

If no item is filled in, then you are requesting none at this time.

Payment. We will pay for missing security devices that are required by statute. You will pay for: (1) rekeying that you request (except when we failed to rekey after the previous resident moved out); and (2) repairs or replacements due to misuse or damage by you or your family, occupants, or guests. You must pay immediately after the work is done unless state statute authorizes advance payment. You also must pay for additional or changed security devices you request, in advance or afterward, at our option.

Special Provisions and "What If" Clauses

10. SPECIAL PROVISIONS. The following or attached special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed Lease Contract form. _____

11. UNLAWFUL EARLY MOVE-OUT; RELETTING CHARGE. You'll be liable to us for a reletting charge of \$ _____ (not to exceed 85% of the highest monthly rent during the Lease Contract term) if you: (1) fail to move in, or fail to give written move-out notice as required in paragraphs 23 or 37; or (2) move out without paying rent in full for the entire Lease Contract term or renewal period; or (3) move out at our demand because of your default; or (4) are judicially evicted.

The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease Contract. See the first paragraph of page 2.

06102009SAMPLE1

Not a Release. The reletting charge is not a Lease Contract cancellation or buyout fee. It is a liquidated amount covering only part of our damages; that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain--particularly those relating to make ready, inconvenience, paperwork, advertising, showing the dwelling, utilities for showing, checking prospects, overhead, marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting, or unreturned keys; or other sums due.

12. DAMAGES AND REIMBURSEMENT. You must promptly pay or reimburse us for loss, damage, consequential damages, government fines or charges, or cost of repairs or service in the dwelling due to: a violation of the Lease Contract or rules, improper use, negligence; other conduct by you or your invitees, guests or occupants; or any other cause not due to our negligence or fault. You will indemnify and hold us harmless from all liability arising from the conduct of you, your invitees, guests, or occupants, or our representatives who perform at your request services not contemplated in this Lease Contract. **Unless the damage or wastewater stoppage is due to our negligence, we're not liable for--and you must pay for--repairs, replacements and damage to the following if occurring during the Lease Contract term or renewal period: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your dwelling.** We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver.

13. CONTRACTUAL LIEN AND PROPERTY LEFT IN DWELLING. **All property in the dwelling is (unless exempt under Section 54.042 of the Texas Property Code) subject to a contractual lien to secure payment of delinquent rent.** For this purpose, "dwelling" excludes outside areas but includes interior living areas and exterior patios, balconies, attached garages, and storerooms for your exclusive use.

Removal After We Exercise Lien for Rent. **If your rent is delinquent, our representative may peacefully enter the dwelling and remove and/or store all property subject to lien.** Written notice of entry must be left afterwards in the dwelling in a conspicuous place--plus a list of items removed. The notice must state the amount of delinquent rent and the name, address, and phone number of the person to contact about the amount owed. The notice must also state that the property will be promptly returned when the delinquent rent is fully paid. All property in the dwelling is presumed to be yours unless proven otherwise.

Removal After Surrender, Abandonment, or Eviction. We or law officers may remove or store all property remaining in the dwelling or in outside areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the dwelling (see definitions in paragraph 42).

Storage. We will store property removed under a contractual lien. We may, but have no duty to, store property removed after judicial eviction, surrender, or abandonment of the dwelling. We're not liable for casualty loss, damage, or theft except for property removed under a contractual lien. You must pay reasonable charges for our packing, removing, storing, and selling any property. We have a lien on all property removed and stored after surrender, abandonment, or judicial eviction for all sums you owe, with one exception: Our lien on property listed under Property Code Section 54.042 is limited to charges for packing, removing, and storing.

Redemption. If we've seized and stored property under a contractual lien for rent as authorized by the Property Code, you may redeem the property by paying all delinquent rent due at the time of seizure. But if notice of sale (set forth as follows) is given before you seek redemption, you may redeem only by paying the delinquent rent and reasonable charges for packing, removing, and storing. If we've removed and stored property after surrender, abandonment, or judicial eviction, you may redeem only by paying all sums you owe, including rent, late charges, reletting charges, storage, damages, etc. We may return redeemed property at the place of storage, the management office, or the dwelling (at our option). We may require payment by cash, money order, or certified check.

Disposition or Sale. Except for animals and property removed after the death of a sole resident, we may throw away or give to a charitable organization all items of personal property that are: (1) left in the dwelling after surrender or abandonment; or (2) left outside more than 1 hour after a writ of possession is executed, following a judicial eviction. Animals removed after surrender, abandonment, or eviction may be kenneled or turned over to local authorities or humane societies. Property not thrown away or given to charity may be disposed of only by sale, which must be held no sooner than 30 days after written notice of date, time, and place of sale is sent by both regular mail and certified mail (return receipt requested) to your last known address. The notice must itemize the amounts you owe and the name, address, and phone number of the person to contact about the sale, the amount owed, and your right to redeem the property. Sale may be public or private, is subject to any third-party ownership or lien claims, must be to the highest cash bidder, and may be in bulk, in batches, or item-by-item. Proceeds exceeding sums owed must be mailed to you at your last known address within 30 days after sale.

14. FAILING TO PAY FIRST MONTH'S RENT. If you don't pay the first month's rent when or before the Lease Contract begins, all future rent will be automatically accelerated without notice and immediately due. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges. Our rights, remedies, and duties under paragraphs 11 and 32 apply to acceleration under this paragraph.

15. RENT INCREASES AND LEASE CONTRACT CHANGES. No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10, by a written addendum or amendment signed by you and us, or by reasonable changes of our rules allowed under paragraph 18. If, at least 5 days before the advance notice deadline referred to in paragraph 3, we give you written notice of rent increases or Lease Contract changes effective when the Lease Contract term or renewal period ends, this Lease Contract will automatically continue month-to-month with the increased rent or Lease Contract changes. The new modified Lease Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move-out notice under paragraph 37. The written move-out notice under paragraph 37 applies only to the end of the current Lease Contract or renewal period.

16. DELAY OF OCCUPANCY. If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right to terminate as set forth below. Termination notice must be in writing. After termination, you are entitled only to refund of deposit(s) and any rent paid. Rent abatement or Lease Contract termination does not apply if delay is for cleaning or repairs that don't prevent you from occupying the dwelling.

If there is a delay and we haven't given notice of delay as set forth immediately below, you may terminate up to the date when the dwelling is ready for occupancy, but not later.

(1) If we give written notice to any of you when or after the Lease Contract begins--and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the dwelling will be ready on a specific date--you may terminate the Lease Contract within 3 days of your receiving the notice, but not later.

(2) If we give written notice to any of you before the effective Lease Contract date and the notice states that construction delay is expected and that the dwelling will be ready for you to occupy on a specific date, you may terminate the Lease Contract within 7 days after any of you receives written notice, but not later. The readiness date is considered the new effective Lease Contract date for all purposes. This new date may not be moved to an earlier date unless we and you agree.

17. DISCLOSURE RIGHTS. If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it. At our request, any utility provider may furnish us information about pending or actual connections or disconnections of utility service to your dwelling.

While You're Living in the Dwelling

18. POLICIES OR RULES. You and all guests and occupants must comply with any written rules and policies, including instructions for care of our property. Our rules are considered part of this contract. We may make reasonable changes to written rules, effective immediately upon their distribution to you. These changes must not change any dollar amounts on page 1 of this Lease Contract. You must comply with any subdivision or deed restrictions that apply.

19. LIMITATIONS ON CONDUCT. The dwelling and other areas reserved for your private use must be kept clean. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. Any swimming pools, spas, storerooms, and similar areas must be used with care in accordance with our rules and posted signs. Glass containers are prohibited in or near pools. You, your occupants, or guests may not anywhere in the dwelling or outside areas use candles or kerosene lamps or heaters without our prior written approval, or solicit business or contributions. Conducting any kind of business (including child care services) in your dwelling is prohibited--except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your dwelling for business purposes. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of

furniture movers and delivery persons; and (3) recreational activities in outside areas.

We may exclude from the property guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any of our rules, or disturbing other persons, neighbors, visitors, or owner representatives. We may also exclude from any outside area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident.

You will notify us within 15 days if you or any occupants are convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us within 15 days if you or any occupants register as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive any rights we have against you.

20. PROHIBITED CONDUCT. You and your occupants or guests may not engage in the following activities: criminal conduct; behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the dwelling; disrupting our business operations; manufacturing, delivering, or possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the dwelling;

06102009SAMPLE2

displaying or possessing a gun, knife, or other weapon in or near the dwelling in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; bringing hazardous materials into the dwelling; using windows for entry or exit; heating the dwelling with a gas-operated cooking stove or oven; or injuring our reputation by making bad faith allegations against us to others.

21. **PARKING.** We may regulate the time, manner, and place of parking all cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles. Motorcycles or motorized bikes may not be parked inside a dwelling or on sidewalks. We may have unauthorized or illegally parked vehicles towed according to state law at the owner or operator's expense at any time if it:

- (1) has a flat tire or is otherwise inoperable
- (2) is on jacks, blocks or has wheel(s) missing
- (3) takes up more than one parking space, if the dwelling complex has more than one living unit
- (4) belongs to a resident or occupant who has surrendered or abandoned the dwelling
- (5) blocks another vehicle from exiting
- (6) is in a fire lane or designated "no parking" area
- (7) is in a space marked for other resident(s) or dwelling(s)
- (8) is in any portion of a yard area
- (9) is on the grass, sidewalk, or patio, or
- (10) has no current license, registration or inspection sticker, and we give you at least 10 days notice that the vehicle will be towed if not removed.

22. **RELEASE OF RESIDENT.** Unless you're entitled to terminate this Lease Contract under paragraphs 10, 16, 23, 31 or 37, you won't be released from this Lease Contract for any reason—including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, bad health, death, or property purchase.

Death of Sole Resident. If you are the sole resident, upon your death you may terminate the Lease Contract without penalty with at least 30 days written notice. You will be liable for payment of rent until the latter of: (1) the termination date, or (2) until all possessions in the apartment are removed. You will be liable for all rent, charges, and damages to the apartment until it is vacated, and any removal and storage costs.

23. **MILITARY PERSONNEL CLAUSE.** You may terminate the Lease Contract if you enlist or are drafted or commissioned in the U.S. Armed Forces. You also may terminate the Lease Contract if:

- (1) you are (i) a member of the U.S. Armed Forces or reserves on active duty or (ii) a member of the National Guard called to active duty for more than 30 days in response to a national emergency declared by the President; and
- (2) you (i) receive orders for permanent change-of-station, (ii) receive orders to deploy with a military unit or as an individual in support of a military operation for 90 days or more, or (iii) are relieved or released from active duty.

After you deliver to us your written termination notice, the Lease Contract will be terminated under this military clause 30 days after the date on which your next rental payment is due. You must furnish us a copy of your military orders, such as permanent change-of-station orders, call-up orders, or deployment orders or letter. Military permission for base housing doesn't constitute a permanent change-of-station order. After your move out, we'll return your security deposit, less lawful deductions. For the purposes of this Lease Contract, orders described in (2) above will only release the resident who qualifies under (1) and (2) above and receives the orders during the Lease Contract term and such resident's spouse or legal dependents living in the resident's household. A co-resident who is not your spouse or dependent cannot terminate under this military clause. Unless you state otherwise in paragraph 10, you represent when signing this Lease Contract that: (1) you do not already have deployment or change-of-station orders; (2) you will not be retiring from the military during the Lease Contract term; and (3) the term of your enlistment or obligation will not end before the Lease Contract term ends. Liquidated damages for making a false representation of the above will be the amount of unpaid rent for the remainder of the lease term when and if you move out, less rents from others received in mitigation under paragraph 32. You must immediately notify us if you are called to active duty or receive deployment or permanent change-of-station orders.

24. **RESIDENT SAFETY AND LOSS.** You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke and other detection devices, door and window locks, and other safety or security devices. You agree to make every effort to follow the Security Guidelines on page 5. Window screens are not for security or keeping people from falling out.

Detection Devices. We'll furnish smoke or other detection devices required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report detector malfunctions to us. Neither you nor others may disable detectors. If you damage or disable the smoke detector or remove a battery without replacing it with a working battery, you may be liable to us under Section 92.2611 of the Property Code for \$100 plus one month's rent, actual damages, and attorney's fees. You also will be liable to us and others if you fail to report malfunctions or any loss, damage, or fines resulting from fire, smoke, or water.

Loss. We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property or business or personal income from any cause including but not limited to fire, smoke, rain, flood, water leaks, hail, ice, snow, lightning, wind, explosions, interruption of utilities, pipe leaks, theft, negligent or intentional acts of residents, occupants, or guests, or vandalism unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. Unless we instruct otherwise, you must—for 24 hours a day during freezing weather—(1) keep the dwelling heated to at least 50 degrees; (2) keep cabinet and closet doors open; and (3) drip hot and cold water faucets. You'll be liable for damage to our and others' property if damage is caused by broken water pipes due to your violating these requirements.

Crime or Emergency. Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, suspected criminal activity, or other emergency involving imminent harm. You should then contact our representative. You won't treat any of our security measures as an express or implied warranty of security, or as a guarantee against crime or of

reduced risk of crime. Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. Even if previously provided, we're not obligated to furnish security personnel, patrols, lighting, gates or fences, or other forms of security unless required by statute. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the dwelling. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You also must furnish us with the law-enforcement agency's incident report number upon request.

25. **CONDITION OF THE PREMISES AND ALTERATIONS.** You accept the dwelling, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. We disclaim all implied warranties. You'll be given an Inventory & Condition form on or before move-in. Within 48 hours after move-in, you must sign and note on the form all defects or damage and return it to us. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the dwelling and not damaging or littering the outside areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the dwelling. We'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, extra phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless allowed by statute or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, detection devices, furniture, telephone and cable TV wiring, screens, locks, and security devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the dwelling; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the dwelling (whether or not we consent) become ours unless we agree otherwise in writing.

We are committed to the principles of fair housing. In accordance with fair housing laws, we will make reasonable accommodations to our rules, policies, practices or services, and/or will allow reasonable modifications under such laws to give persons with disabilities access to and use of this dwelling. We may require you to sign an addendum regarding the approval and implementation of such accommodations or modifications, as well as restoration obligations, if any.

26. **REQUESTS, REPAIRS, AND MALFUNCTIONS.** We'll maintain the dwelling in good order and pay for repair and maintenance, subject to the repair procedures set forth below. You must replace air-conditioning filters monthly and keep the yard clean.

Procedures for Repairs by Us. If you or any occupant needs to send a notice or request—for example, for repairs, installations, services, ownership disclosure or security-related matters -- **IT MUST BE SIGNED AND IN WRITING** to our designated representative (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; mold; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the dwelling if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are normally not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections, taking into consideration when casualty insurance proceeds are received. Rent will not abate in whole or in part.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate this Lease Contract by giving you at least 5 days written notice. We may also remove personal property if it causes a health or safety hazard. If the Lease Contract is so terminated, we'll refund prorated rent and all deposits, less lawful deductions.

Repairs and Service Calls. We will pay for repairs of conditions that materially affect the health or safety of an ordinary resident (i.e. dangerous or hazardous conditions). Otherwise, you'll be responsible for the first \$ _____ of any repair or service call.

Yard Maintenance. Unless we expressly assume the responsibility below, you must pay for yard maintenance and yard pest control.

- (1) Who will keep the lawn mowed and edged, and maintain all plants, trees, shrubs, etc.? You or Us
- (2) Who will water the lawn and other vegetation? You or Us
- (3) Who will keep the lawn, flowerbeds, sidewalks, porches, and driveways free of trash and debris? You or Us
- (4) Who is obligated to fertilize lawn and plants? You Us or Neither

You must promptly report infestations or dying vegetation to us. You may not modify the existing landscape, change any plants, or plant a garden without our prior written approval.

Interior Pest Control and Trash Receptacles. Unless paragraph 10 says otherwise, we'll arrange and pay for extermination services for all pests within the dwelling, as needed in our reasonable judgment.

- (1) Who will initially pay for outside trash receptacles for your use? You Us City Utility or Other
- (2) If we pay for trash receptacles initially, who must repair or replace them if they're broken or missing? You or Us

Trash receptacles must be kept closed, and must comply with local ordinances regarding trash disposal. We may designate which trash receptacles will be stored on the premises and where they'll be.

27. ANIMALS. No animals (including mammals, reptiles, birds, fish, rodents, amphibians, arachnids, and insects) are allowed, even temporarily, anywhere in the dwelling, porches, patios, balconies, or yards unless we've so authorized in writing. If we allow an animal, you must sign a separate animal addendum and pay an animal deposit. An animal deposit is considered a general security deposit. We will authorize a support animal for a disabled person but will not require an animal deposit. We may require a written statement from a qualified professional verifying the need for the support animal. You must not feed stray or wild animals or allow unauthorized animals to be tied to any porch, tree, or other object on the premises at any time.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract. If an animal has been in the dwelling at any time during your term of occupancy (with or without our consent), we'll charge you for defleaming, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules. We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the dwelling, a 24-hour written notice of intent to remove the animal, and (2) following the procedures of paragraph 28. We may keep or kennel the animal or turn it over to a humane society or local authority. When keeping or kenneling an animal, we won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. We'll return the animal to you upon request if it has not already been turned over to a humane society or local authority. You must pay for the animal's reasonable care and kenneling charges. We have no lien on the animal for any purpose.

28. WHEN WE MAY ENTER. If you or any guest or occupant is present, then repairers, servicers, contractors, our representatives, or other persons listed in (2) below may peacefully enter the dwelling at reasonable times for the purposes listed in (2) below. If nobody is in the dwelling, then such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary) if:

- (1) written notice of the entry is left in a conspicuous place in the dwelling immediately after the entry; and
- (2) entry is for: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; checking for water leaks; changing filters; testing or replacing detection device batteries; retrieving unreturned tools, equipment, or appliances; preventing waste of utilities;

Replacements

30. REPLACEMENTS AND SUBLETTING. Replacing a resident, subletting, or assignment is allowed *only when we consent in writing*. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent to the replacement, subletting, or assignment, then:

- (1) a reletting charge *will not* be due;
- (2) a reasonable administrative (paperwork) fee *will* be due, and a rekeying fee *will* be due if rekeying is requested or required; and
- (3) the departing and remaining residents *will* remain liable for all Lease Contract obligations for the rest of the original Lease Contract term.

Responsibilities of Owner and Resident

31. RESPONSIBILITIES OF OWNER. We'll act with customary diligence to:

- (1) maintain fixtures, hot water, heating, and A/C equipment;
- (2) substantially comply with all applicable laws regarding safety, sanitation, and fair housing; and
- (3) make all reasonable repairs, subject to paragraph 26 and your obligation to pay for damages for which you are liable.

If we violate any of the above, you may possibly terminate this Lease Contract and exercise other remedies under Property Code Section 92.056 by following this procedure:

- (a) all rent must be current and you must make a written request for repair or remedy of the condition--after which we'll have a reasonable time for repair or remedy;
- (b) if we fail to do so, you must make a second written request for the repair or remedy (to make sure that there has been no miscommunication between us)--after which we'll have a reasonable time for the repair or remedy; and
- (c) if the repair or remedy still hasn't been accomplished within that reasonable time period, you may immediately terminate this Lease Contract by giving us a final written notice. You also may exercise other statutory remedies, including those under Property Code Section 92.0561.

Instead of giving the two written requests referred to above, you may give us one request by certified mail, return receipt requested, or by registered mail--after which we will have a reasonable time for repair or remedy. "Reasonable time" takes into account the nature of the problem and the reasonable availability of materials, labor, and utilities. Your rent must be current at the time of any request. We will refund security deposits and prorated rent as required by law.

32. DEFAULT BY RESIDENT. You'll be in default if: (1) you don't pay rent or other amounts that you owe on time; (2) you or any guest or occupant violates this Lease Contract, our rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the dwelling; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, charged, detained, convicted, or given deferred adjudication or pretrial diversion for (i) a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marihuana, or drug paraphernalia as defined in the Texas Controlled Substances Act, or (ii) any sex-related crime, including a misdemeanor; (6) any illegal drugs or paraphernalia are found in your dwelling; or (7) you or any occupant, in bad faith, makes an invalid habitability complaint to an official or employee of a utility company or the government.

Eviction. If you default, we may end your right of occupancy by giving you a 24-hour written notice to vacate. Notice may be by: (1) regular mail; (2) certified mail, return receipt requested; (3) personal delivery to any resident; (4) personal delivery at the dwelling to any occupant over 16 years old; or (5) affixing the notice to the inside of the dwelling's main entry door. Notice by mail only will be considered delivered on the earlier of: (1) actual delivery, or (2) three days (not counting Sundays or federal holidays) after the notice is deposited in the U.S. Postal Service with postage. Termination of your possession rights or subsequent reletting doesn't release you from liability for future rent or other Lease Contract obligations. After giving notice to vacate or filing an eviction suit, we may

exercising our contractual lien; leaving notices; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or security devices; removing or rekeying unauthorized security devices; removing unauthorized window coverings; stopping excessive noise; removing health or safety hazards (including hazardous materials), or items prohibited under our rules; removing perishable foodstuffs if your electricity is disconnected; removing unauthorized animals; cutting off electricity according to statute; retrieving property owned or leased by former residents; inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing dwelling to prospective residents (after move-out or vacate notice has been given); or showing the dwelling to government representatives for the limited purpose of determining housing and fire ordinance compliance, and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

29. MULTIPLE RESIDENTS OR OCCUPANTS. Each resident is jointly and severally liable for all Lease Contract obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant constitute notice from all residents. Your notice of Lease Contract termination may only be given by residents. In eviction suits, each resident is considered the agent of all other residents in the dwelling for service of process. Any resident who defaults under this Lease Contract will indemnify the non-defaulting residents and their guarantors.

Security deposit refund check and any deduction itemizations will be by: (check one)

- one check jointly payable to all residents and mailed to any one resident we choose, OR
- one check payable and mailed to _____

(specify name of one resident).

If neither is checked, then the refund will be made in one check jointly payable to all residents.

Procedures for Replacement. If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; or (2) the remaining and replacement residents must sign an entirely new Lease Contract. Unless we agree otherwise in writing, your security deposit will automatically transfer to the replacement resident as of the date we approve. The departing resident will no longer have a right to occupancy or a security-deposit refund, but will remain liable for the remainder of the original Lease Contract term unless we agree otherwise in writing--even if a new Lease Contract is signed.

still accept rent or other sums due; the filing or acceptance doesn't waive or diminish our right of eviction, or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages; past or future rent, or other sums; or to continue with eviction proceedings.

Acceleration. All monthly rent for the rest of the Lease Contract term or renewal period will be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due and delinquent if, without our written consent: (1) you move out, remove property in preparing to move out, or give oral or written notice (by you or any occupant) of intent to move out before the Lease Contract term or renewal period ends; and (2) you've not paid all rent for the entire Lease Contract term or renewal period. Such conduct is considered a default for which we need not give you notice. Remaining rent also will be accelerated if you're judicially evicted or move out when we demand because you've defaulted. Acceleration is subject to our mitigation obligations below.

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) rent for the holdover period will be increased by 25% over the then-existing rent, without notice; (3) you'll be liable to us (subject to our mitigation duties) for all rent for the full term of the previously signed Lease Contract of a new resident who can't occupy because of the holdover; and (4) at our option, we may extend the Lease Contract term--for up to one month from the date of notice of Lease Contract extension--by delivering written notice to you or your dwelling while you continue to hold over.

Other Remedies. If your rent is delinquent and we give you 5 days' prior written notice, we may terminate electricity that we've furnished at our expense, unless government regulations provide otherwise. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts or concessions agreed to in writing, in addition to other sums due. Upon your default, we have all other legal remedies, including Lease Contract termination and statutory lockout under Section 92.0081 of the Property Code. Unless a party is seeking exemplary, punitive, sentimental, or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. We may recover attorney's fees in connection with enforcing our rights under this Lease Contract. You agree that late charges are liquidated damages and a reasonable estimate of such damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts you owe, including judgments, bear 18% interest per year from due date, compounded annually. You must pay all collection-agency fees if you fail to pay all sums due within 10 days after we mail you a letter demanding payment and stating that collection agency fees will be added if you don't pay all sums by that deadline.

Mitigation of Damages. If you move out early, you'll be subject to paragraph 11 and all other remedies. We'll exercise customary diligence to relet and minimize damages. We'll credit all subsequent rent that we actually receive from replacement or subsequent residents against your liability for past-due and future rent and other sums due.

General Clauses

33. **MISCELLANEOUS.** *Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us. Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease Contract or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing. No action or omission by us will be considered a waiver of our rights or of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights isn't a waiver under any circumstances. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter, or fax that was given, as well as any fax transmittal verification. Fax signatures are binding. All notices must be signed. Notices may not be given by email.*

Exercising one remedy won't constitute an election or waiver of other remedies. Insurance subrogation is waived by all parties. All remedies are cumulative. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf. This Lease Contract binds subsequent owners. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract. All notices and documents may be in English and, at our option, in any language that you read or speak. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies. This Lease Contract is subordinate to existing and future recorded mortgages, unless the owner's lender chooses otherwise. All Lease Contract obligations must be performed in the county where the dwelling is located.

We may deactivate or not install keyless bolting devices on your doors if: (1) you or an occupant in the dwelling is over 55 or disabled, and (2) the requirements of Section 92.153(e) or (f) of the Property Code are satisfied.

Utilities may be used only for normal household purposes and must not be wasted. If your electricity is ever interrupted, you must use only battery-operated lighting.

Residents may have rights under Texas law to terminate the lease in certain situations involving family violence or a military deployment or transfer.

34. **PAYMENTS.** Payment of all sums is an independent covenant. At our option and without notice, we may apply money received (other than sale proceeds under paragraph 13 or utility payments for gas, water or electricity) first to any of your unpaid obligations, then to current rent--regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments.

35. **TAA MEMBERSHIP.** We represent that, at the time of signing this Lease Contract or a Lease Contract Renewal Form: (1) we; (2) the management company that represents us; or (3) any locator service that procured you is a member in good standing of both the Texas Apartment Association and the affiliated local apartment association for the area where the dwelling is located. The member is either an owner/management company member or an associate member doing business as a locator service (whose name and address is disclosed on page 6). If not, the following applies: (1) this Lease Contract is voidable at your option and is unenforceable by us (except for property damages); and (2) we may not recover past or future rent or other charges. The above remedies also apply if both of the following occur: (1) the Lease Contract is automatically renewed on a month-to-month basis two or more times after membership in TAA and the local association has lapsed; and (2) neither the owner nor the management company is a member of TAA and the local association at the time of the third automatic renewal. A signed affidavit from the local affiliated apartment association which attests to non-membership when the Lease Contract or renewal was signed will be conclusive evidence of non-membership. The Lease Contract is voidable at your option if the Lease Contract or any lease addendum (that is a copyrighted TAA form) fails to show at the bottom of each page the names of all original residents listed in paragraph 1, or contains the same form identification code as any other resident's Lease Contract or lease addendum; or if your TAA Rental Application contains the same form identification code as any other resident's Rental Application. Governmental entities may use TAA forms if TAA agrees in writing.

Security Guidelines for Residents

36. **SECURITY GUIDELINES.** We care about your safety and that of other occupants and guests. *No security system is fail-safe. Even the best system can't prevent crime. Always act as if security systems don't exist since they are subject to malfunction, tampering, and human error. We disclaim any express or implied warranties of security. The best safety measures are the ones you perform as a matter of common sense and habit.*

Inform all other occupants in your dwelling, including any children you may have, about these guidelines. We recommend that all residents and occupants use common sense and follow crime prevention tips, such as those listed below:

- In case of emergency, call 911. Always report emergencies to authorities first and then contact the management.
- Report any suspicious activity to the police first, and then follow up with a written notice to us.
- Know your neighbors. Watching out for each other is one of the best defenses against crime.
- Always be aware of your surroundings and avoid areas that are not well-traveled or well-lit.
- Keep your keys handy at all times when walking to your car or home.
- Do not go inside if you arrive home and find your door open. Call the police from another location and ask them to meet you before entering.
- Make sure door locks, window latches and sliding glass doors are properly secured at all times.
- Use the keyless deadbolt in your dwelling when you are at home.
- Don't put your name or address on your key ring or hide extra keys in obvious places, like under a flower pot. If you lose a key or have concerns about key safety, we will rekey your locks at your expense, in accordance with paragraph 9 of the Lease Contract.

- Check the door viewer before answering the door. Don't open the door if you don't know the person or have any doubts. Children who are old enough to take care of themselves should never let anyone inside when home without an adult.
- Regularly check your security devices and detection devices to make sure they are working properly. Detection device batteries should be tested monthly and replaced at least twice a year.
- Immediately report in writing (dated and signed) to us any needed repairs of security devices, doors, windows, detection devices, as well as any other malfunctioning safety devices on the property, such as broken access gates, burned out exterior lights, etc.
- If your doors or windows are not secure due to a malfunction or break-in, stay with a friend or neighbor until the problem is fixed.
- When you leave home, make sure someone knows where you're going and when you plan to be back.
- Lock your doors and leave a radio or TV playing softly while you're gone. Close curtains, blinds and window shades at night.
- While gone for an extended period, secure your home and use lamp timers. Also stop all deliveries (such as newspaper and mail) or have these items picked up daily by a friend.
- Know at least two exit routes from your home, if possible.
- Don't give entry keys, codes or gate access cards to anyone.
- Always lock the doors on your car, even while driving. Take the keys and remove or hide any valuables. Park your vehicle in a well-lit area.
- Check the backseat before getting into your car. Be careful stopping at gas stations or automatic-teller machines at night--or anytime when you suspect danger.

There are many other crime prevention tips readily available from police departments and others.

When Moving Out

37. **MOVE-OUT NOTICE.** Before moving out, you must give our representative advance written move-out notice as provided below. Your move-out notice will not release you from liability for the full term of the Lease Contract or renewal term. You will still be liable for the entire Lease Contract term if you move out early (paragraph 22) except under the military clause (paragraph 23). YOUR MOVE-OUT NOTICE MUST COMPLY WITH EACH OF THE FOLLOWING:

- We must receive advance written notice of your move-out date. The advance notice must be at least the number of days of notice required in paragraph 3 or in special provisions--even if the Lease Contract has become a month-to-month lease. If a move-out notice is received on the first, it will suffice for move-out on the last day of the month of intended move-out, provided that all other requirements below are met.
- The move-out date in your notice [check one]: must be the last day of the month; or may be the exact day designated in your notice. *If neither is checked, the second applies.*

- Your move-out notice must be in writing. Oral move-out notice will not be accepted and will not terminate your Lease Contract.
- Your move-out notice must not terminate the Lease Contract sooner than the end of the Lease Contract term or renewal period.
- If we require you to give us more than 30 days written notice to move out before the end of the lease term, we will give you a written reminder not less than 5 days nor more than 90 days before your deadline for giving us your written move-out notice. If we fail to provide a reminder notice, 30 days written notice to move-out is required.

YOUR NOTICE IS NOT ACCEPTABLE IF IT DOES NOT COMPLY WITH ALL OF THE ABOVE. We recommend you use our written move-out form to ensure you provide the information needed. You must obtain from our representative written acknowledgment that we received your move-out notice. If we terminate the Lease Contract, we must give you the same advance notice--unless you are in default.

06102009SAMPLE5

38. **MOVE-OUT PROCEDURES.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the Lease Contract term or renewal period ends unless all rent for the entire Lease Contract term or renewal period is paid in full. Early move-out may result in reletting charges and acceleration of future rent under paragraphs 11 and 32. You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must surrender or abandon the dwelling before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

39. **CLEANING.** You must thoroughly clean the dwelling, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage areas. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges--including charges for cleaning carpets, draperies, furniture, walls, etc. that are soiled beyond normal wear (that is, wear or soiling that occurs without negligence, carelessness, accident, or abuse).

40. **MOVE-OUT INSPECTION.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

41. **SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.** You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the dwelling and is missing; replacing dead or missing detection device batteries at any time; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open the dwelling when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized security devices or alarm systems; agreed reletting charges; packing, removing, or storing property removed or stored under paragraph 13; removing illegally parked vehicles; false security-alarm charges unless

due to our negligence; animal-related charges under paragraphs 6 and 27; government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke detectors, false alarms, recycling, or other matters; late-payment and returned-check charges; a charge (not to exceed \$100) for our time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus attorney's fees, court costs, and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for: (1) charges for replacing all keys and access devices listed in paragraph 5 if you fail to return them on or before your actual move-out date; (2) accelerated rent if you have violated paragraph 32; and (3) a reletting fee if you have violated paragraph 11.

42. **DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.** We'll mail you your security deposit refund (less lawful deductions) and an itemized accounting of any deductions no later than 30 days after surrender or abandonment, unless statutes provide otherwise.

You have *surrendered* the dwelling when: (1) the move-out date has passed and no one is living in the dwelling in our reasonable judgment; or (2) all dwelling keys and access devices listed in paragraph 5 have been turned in where rent is paid--whichever date occurs first.

You have *abandoned* the dwelling when all of the following have occurred: (1) everyone appears to have moved out in our reasonable judgment; (2) clothes, furniture, and personal belongings have been substantially removed in our reasonable judgment; (3) you've been in default for non-payment of rent for 5 consecutive days, or water, gas, or electric service for the dwelling not connected in our name has been terminated or transferred; and (4) you've not responded for 2 days to our notice left on the inside of the main entry door, stating that we consider the dwelling abandoned. A dwelling is also "abandoned" 10 days after the death of a sole resident.

Surrender, abandonment, or judicial eviction ends your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the dwelling; determine any security deposit deductions; and remove property left in the dwelling. Surrender, abandonment, and judicial eviction affect your rights to property left in the dwelling (paragraph 13), but do not affect our mitigation obligations (paragraph 32).

charges for picking up and/or keeping unleashed animals.

- Unless we have designated a particular area in your dwelling unit or on the grounds for animal defecation and urination, you are prohibited from letting an animal defecate or urinate *anywhere* on our property. You must take the animal off our property for that purpose. If we allow animal defecation inside the dwelling unit in this Addendum, you must ensure that it's done in a litter box with a kitty litter-type mix. If the animal defecates anywhere on our property (including in a fenced yard for your exclusive use), you'll be responsible for immediately removing the waste and repairing any damage. Despite anything this Addendum says, you must comply with all local ordinances regarding animal defecation.

13. ADDITIONAL RULES. We have the right to make reasonable changes to the animal rules from time to time if we distribute a written copy of any changes to every resident who is allowed to have animals.

14. VIOLATION OF RULES. If you, your guest, or any occupant violates any rule or provision of this Animal Addendum (based upon our judgment) and we give you written notice, you must remove the animal immediately and permanently from the premises. We also have all other rights and remedies set forth in paragraph 27 of the Lease Contract, including damages, eviction, and attorney's fees.

15. COMPLAINTS ABOUT ANIMAL. If we give you written notice, you must immediately and permanently remove the animal from the premises if we receive a reasonable complaint from a neighbor or other resident or if we, in our sole discretion, determine that the animal has disturbed neighbors or other residents.

16. OUR REMOVAL OF ANIMAL. In some circumstances, we may enter the dwelling unit and remove the animal with one day's notice left in a conspicuous place. We can do this if, in our sole judgment, you have:

- abandoned the animal;
- left the animal in the dwelling unit for an extended period of time without food or water;
- failed to care for a sick animal;
- violated our animal rules; or
- let the animal defecate or urinate where it's not supposed to.

In doing this, we must follow the procedures of paragraphs 27 and 28 of the Lease Contract, and we may turn the animal over to a humane society or local authority. We'll return the animal to you upon request if we haven't already turned it over to a humane society or local authority. You and all co-residents will be jointly and severally liable for the entire amount of all damages caused by the animal, including all cleaning, defleaing, and deodorizing. This provision applies to all parts of the dwelling unit, including carpets, doors, walls, drapes, wallpaper, windows, screens, furniture, appliances, as well as landscaping and other outside improvements. If items cannot be satisfactorily cleaned or repaired, you must pay for us to replace them completely. Payment for damages, repairs, cleaning, replacements, etc. are due immediately upon demand.

As owner of the animal, you're strictly liable for the entire amount of any injury that the animal causes to a person or anyone's property. You'll indemnify us for all costs of litigation and attorney's fees resulting from any such damage.

18. MOVE-OUT. When you move out, you'll pay for defleaing, deodorizing, and shampooing to protect future residents from possible health hazards, regardless of how long the animal was there. We--not you--will arrange for these services.

19. MULTIPLE RESIDENTS. Each resident who signed the Lease Contract must sign this Animal Addendum. You, your guests, and any occupants must follow all animal rules. Each resident is jointly and severally liable for damages and all other obligations set forth in this Animal Addendum, even if the resident does not own the animal.

20. GENERAL. You acknowledge that no other oral or written agreement exists regarding animals. Except for special provisions noted in paragraph 9 above, our representative has no authority to modify this Animal Addendum or the animal rules except in writing, as described under paragraph 12. This Animal Addendum and the animal rules are considered part of the Lease Contract described above. It has been executed in multiple originals, one for you and one or more for us.

You are legally bound by this document. Please read it carefully.

Federally Required Lead Hazard Information and Disclosure Addendum

IMPORTANT NOTICE TO RESIDENTS: The following information is taken from a brochure entitled "Protect Your Family from Lead in Your Home" prepared by the U.S. Environmental Protection Agency, the U.S. Consumer Product Safety Commission and the U.S. Department of Housing and Urban Development. While the information must be distributed to residents before they become obligated under the lease for most types of housing built before 1978, it does not mean that the dwelling contains lead-based paint (LBP). The brochure was written in general terms and applies to both home purchasers and renters. The information outlines action that can be taken to test for, remove or abate LBP in a dwelling. The TAA Lease Contract specifically prohibits a resident from performing this type of work--only the dwelling owner may do so under the lease contract. If you have any questions about the presence of LBP in your dwelling, please contact the owner or management company before taking any action to test, abate or remove LBP. NOTE: Page references in the content of this form are to pages in the EPA brochure.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying, or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT: Lead exposure can harm young children and babies even before they are born.
FACT: Even children that seem healthy can have high levels of lead in their bodies.
FACT: People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
FACT: People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
FACT: Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

People can get lead in their body if they:

- Breathe in lead dust (especially during renovations that disturb painted surfaces).
Put their hands or other objects covered with lead dust in their mouths.
Eat paint chips or soil that contains lead.

Lead is even more dangerous to children under the age of 6:

- At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
Children's growing bodies absorb more lead.
Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause

- ◆ Nervous system and kidney damage.
- ◆ Learning disabilities, attention deficit disorder, and decreased intelligence.
- ◆ Speech, language, and behavior problems.
- ◆ Poor muscle coordination.
- ◆ Decreased muscle and bone growth.
- ◆ Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause:

- ◆ Increased chance of illness during pregnancy.
- ◆ Harm to a fetus, including brain damage or death.
- ◆ Fertility problems (in men and women).
- ◆ High blood pressure.
- ◆ Digestive problems.
- ◆ Nerve disorders.
- ◆ Memory and concentration problems.
- ◆ Muscle and joint pain.

Lead affects the body in many ways.

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside and outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have. Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ◆ Children at ages 1 and 2.
- ◆ Children or other family members who have been exposed to high levels of lead.
- ◆ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking, or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- ◆ Windows and window sills
- ◆ Doors and floor frames.
- ◆ Stairs, railings, banisters, and porches.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- ◆ 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- ◆ 400 parts per million (ppm) and higher in play areas of base soil.
- ◆ 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home checked for lead in several different ways:

- ◆ A paint **inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- ◆ A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- ◆ A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- ◆ Visual inspection of paint condition and location.
- ◆ A portable x-ray fluorescence (XRF) machine.
- ◆ Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call 1-800-424-LEAD (5323) for a list of contacts in your area.

Home test kits for lead are available, but may not always be accurate. Consumers should not rely on these tests before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- ◆ If you rent, notify your landlord of peeling or chipping paint.
- ◆ Clean up paint chips immediately.
- ◆ Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- ◆ Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- ◆ Wash children's hands often, especially before they eat and before nap time and bed time.
- ◆ Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ Keep children from chewing window sills or other painted surfaces.
- ◆ Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- ◆ Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- ◆ You can temporarily reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "interim controls") are not permanent solutions and will need ongoing attention.
- ◆ To permanently remove lead hazards, you should hire a certified lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems--someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that dust lead levels are below the following:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- ◆ 250 $\mu\text{g}/\text{ft}^2$ for interior window sills; and
- ◆ 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help with locating certified professionals in your area and to see if financial assistance is available.

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- ◆ Have the area tested for lead-based paint.
- ◆ Do not use a belt-sander, propane torch, high temperature heat gun, dry scraper, or dry sandpaper to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ Temporarily move your family (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- ◆ Follow other safety measures to reduce lead hazards. You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- ◆ **Old painted toys and furniture.**
- ◆ **Food and liquids stored in lead crystal or lead-glazed pottery or porcelain.**
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

FEDERALLY REQUIRED LESSOR DISCLOSURE, AGENT STATEMENT AND LESSEE ACKNOWLEDGMENT OF INFORMATION ON LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS

LEAD WARNING STATEMENT Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors (owners) must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees (residents) must also receive a federally approved pamphlet on lead poisoning prevention. (This addendum is a "pamphlet" within the meaning of federal regulations. The term "in the housing" below means either inside or outside the housing unit.)

LEAD-FREE HOUSING If the housing unit has been certified as "lead free" according to 24 CFR Section 35.82, the lead-based paint and lead-based paint hazard regulations do not apply, and it is not necessary to provide this addendum, or a lead-based paint warning pamphlet and lead-based paint disclosure statement, to the lessee (resident).

LESSOR'S DISCLOSURE

Presence of lead-based paint and/or lead-based paint hazards (check only one box)

- Lessor (owner) has no knowledge of lead-based paint and/or lead-based paint hazards in the housing.
- Lessor (owner) knows that lead-based paint and/or lead-based paint hazards are present in the housing (explain).

Records and reports available to lessor (check only one box)

- Lessor (owner) has no reports or records pertaining to lead-based paint and/or lead-based paint hazards in the housing.
- Lessor (owner) has reports or records indicating the presence of some lead-based paint and/or lead-based paint hazards in the housing, and has provided the lessees (residents) with all such records and reports that are available to lessor (list documents).

AGENT'S STATEMENT If another person or entity is involved in leasing the dwelling as an agent of the lessor (i.e., as a management company, real estate agent or locator service acting for the owner), such agent represents that: (1) agent has informed the lessor of the lessor's obligations under 42 U.S.C. 4852(d); and (2) agent is aware of agent's responsibility to ensure that lessor complies with such disclosure laws. Such compliance may be through lessor himself or herself, or through lessor's employees, officers or agents. Lessor's obligations include those in 24 CFR Sections 35.88 and 35.92 and 40 CFR Sections 745.107 and 745.113. Agent's obligations include those in 24CFR Section 35.94 and 40 CFR Section 745.115.

ACCURACY CERTIFICATIONS AND RESIDENT'S ACKNOWLEDGMENT Lessor and any agent named below certify that to the best of their knowledge the above information and statements made or provided by them, respectively, are true and accurate. The person who signs for the LESSOR may be: (1) the owner himself or herself; (2) an employee, officer or partner of the owner; or (3) a representative of the owner's management company, real estate agent or locator service if such person is authorized to sign for the lessor. The person who signs for the AGENT may be: (1) the agent himself or herself; or (2) an employee, officer or partner of the agent if such person is authorized to sign for the agent. The lessees (residents) signing below acknowledge that they have received a copy of this TAA lease addendum before becoming obligated under the lease and have been informed that it contains the disclosure form and pamphlet information required by federal law regarding lead poisoning prevention.

If you think your home has high levels of lead:

- ◆ Get your young children tested for lead, even if they seem healthy.
- ◆ Wash children's hands, bottles, pacifiers, and toys often.
- ◆ Make sure children eat healthy, low-fat foods.
- ◆ Get your home checked for lead hazards.
- ◆ Regularly clean floors, window sills, and other surfaces.
- ◆ Wipe soil off shoes before entering house.
- ◆ Talk to your landlord about fixing surfaces with peeling or chipping paint.
- ◆ Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- ◆ Don't use a belt-sander, propane torch, high temperature heat gun, scraper, or sandpaper on painted surfaces that may contain lead.
- ◆ Don't try to remove lead-based paint yourself.

FEDERALLY REQUIRED LESSOR DISCLOSURE, AGENT STATEMENT AND LESSEE ACKNOWLEDGMENT OF INFORMATION ON LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS

LEAD WARNING STATEMENT Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors (owners) must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees (residents) must also receive a federally approved pamphlet on lead poisoning prevention. (This addendum is a "pamphlet" within the meaning of federal regulations. The term "in the housing" below means either inside or outside the housing unit.)

LEAD-FREE HOUSING If the housing unit has been certified as "lead free" according to 24 CFR Section 35.82, the lead-based paint and lead-based paint hazard regulations do not apply, and it is not necessary to provide this addendum, or a lead-based paint warning pamphlet and lead-based paint disclosure statement, to the lessee (resident).

LESSOR'S DISCLOSURE

Presence of lead-based paint and/or lead-based paint hazards (check only one box)

- Lessor (owner) has no knowledge of lead-based paint and/or lead-based paint hazards in the housing.
- Lessor (owner) knows that lead-based paint and/or lead-based paint hazards are present in the housing (explain).

Records and reports available to lessor (check only one box)

- Lessor (owner) has no reports or records pertaining to lead-based paint and/or lead-based paint hazards in the housing.
- Lessor (owner) has reports or records indicating the presence of some lead-based paint and/or lead-based paint hazards in the housing, and has provided the lessees (residents) with all such records and reports that are available to lessor (list documents).

AGENT'S STATEMENT If another person or entity is involved in leasing the dwelling as an agent of the lessor (i.e., as a management company, real estate agent or locator service acting for the owner), such agent represents that: (1) agent has informed the lessor of the lessor's obligations under 42 U.S.C. 4852(d); and (2) agent is aware of agent's responsibility to ensure that lessor complies with such disclosure laws. Such compliance may be through lessor himself or herself, or through lessor's employees, officers or agents. Lessor's obligations include those in 24 CFR Sections 35.88 and 35.92 and 40 CFR Sections 745.107 and 745.113. Agent's obligations include those in 24CFR Section 35.94 and 40 CFR Section 745.115.

ACCURACY CERTIFICATIONS AND RESIDENT'S ACKNOWLEDGMENT Lessor and any agent named below certify that to the best of their knowledge the above information and statements made or provided by them, respectively, are true and accurate. The person who signs for the LESSOR may be: (1) the owner himself or herself; (2) an employee, officer or partner of the owner; or (3) a representative of the owner's management company, real estate agent or locator service if such person is authorized to sign for the lessor. The person who signs for the AGENT may be: (1) the agent himself or herself; or (2) an employee, officer or partner of the agent if such person is authorized to sign for the agent. The lessees (residents) signing below acknowledge that they have received a copy of this TAA lease addendum before becoming obligated under the lease and have been informed that it contains the disclosure form and pamphlet information required by federal law regarding lead poisoning prevention.

Mold Information and Prevention Addendum

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

1. ADDENDUM. This is an addendum to the Lease Contract executed by you, the resident(s), on the dwelling you have agreed to rent. That dwelling is:

Apt. # _____ at _____
(name of apartments)
or other dwelling located at _____
(street address of house, duplex, etc.)
City/State where dwelling is located _____
WACO, TX

2. ABOUT MOLD. Mold is found virtually everywhere in our environment--both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. There is conflicting scientific evidence as to what constitutes a sufficient accumulation of mold which could lead to adverse health effects. Nonetheless, appropriate precautions need to be taken.

3. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean--particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines--especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots. When showering be sure to keep the shower curtain inside the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated, and (3) hang up your towels and bath mats so they will completely dry out.
Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.

4. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

5. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from porous items, such as fibers in sofas, chairs, drapes and carpets--provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

6. DO NOT CLEAN OR APPLY BIOCIDES TO: (1) visible mold on porous surfaces, such as sheetrock walls or ceilings, or (2) large areas of visible mold on non-porous surfaces. Instead, notify us in writing, and we will take appropriate action in compliance with Section 92.051 et seq of the Texas Property Code, subject to the special exceptions for natural disasters.

7. COMPLIANCE. Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

Security Guidelines for Residents

We care about your safety and that of other occupants and guests. *No security system is failsafe. Even the best system can't prevent crime. Always act as if security systems don't exist since they are subject to malfunction, tampering, and human error. We disclaim any express or implied warranties of security. The best safety measures are the ones you perform as a matter of common sense and habit.*

Inform all other occupants in your dwelling, including any children you may have, about these guidelines. We recommend that all residents and occupants use common sense and follow crime prevention tips, such as those listed below:

- In case of emergency, call 911. Always report emergencies to authorities first and then contact the management.
- Report any suspicious activity to the police first, and then follow up with a written notice to us.
- Know your neighbors. Watching out for each other is one of the best defenses against crime.
- Always be aware of your surroundings and avoid areas that are not well-traveled or well-lit.
- Keep your keys handy at all times when walking to your car or home.
- Do not go inside if you arrive home and find your door open. Call the police from another location and ask them to meet you before entering.
- Make sure door locks, window latches and sliding glass doors are properly secured at all times.
- Use the keyless deadbolt in your unit when you are at home.
- Don't put your name or address on your key ring or hide extra keys in obvious places, like under a flower pot. If you lose a key or have concerns about key safety, we will rekey your locks at your expense, in accordance with paragraph 9 of the Lease Contract.
- Check the door viewer before answering the door. Don't open the door if you don't know the person or have any doubts. Children who are old enough to take care of themselves should never let anyone inside when home without an adult.
- Regularly check your security devices and smoke detector to make sure they are working properly. Smoke detector batteries should be tested monthly and replaced at least twice a year.
- Immediately report in writing (dated and signed) to us any needed repairs of security devices, doors, windows, smoke detectors, as well as any other malfunctioning safety devices on the property, such as broken access gates, burned out exterior lights, etc.
- If your doors or windows are not secure due to a malfunction or break-in, stay with a friend or neighbor until the problem is fixed.
- When you leave home, make sure someone knows where you're going and when you plan to be back.
- Lock your doors and leave a radio or TV playing softly while you're gone. Close curtains, blinds and window shades at night.
- While gone for an extended period, secure your home and use lamp timers. Also stop all deliveries (such as newspaper and mail) or have these items picked up daily by a friend.
- Know at least two exit routes from your home, if possible.
- Don't give entry keys, codes or gate access cards to anyone.
- Always lock the doors on your car, even while driving. Take the keys and remove or hide any valuables. Park your vehicle in a well-lit area.
- Check the backseat before getting into your car. Be careful stopping at gas stations or automatic-teller machines at night--or anytime when you suspect danger.

There are many other crime prevention tips readily available from police departments and others.
